

What You Need to Know About Door-to-Door Solicitation

In 1931 the Town of Green River passed Ordinance No. 175 prohibiting all forms of residential door-to-door solicitation, declaring it a nuisance. This ordinance became known as the “Green River Ordinance” and it was adopted by many other communities across the country. In light of challenges to the Green River Ordinance throughout the country, the City of Green River has amended the Green River Ordinance by adopting Ordinance No. 13-02. The new ordinance brings the city into compliance with the recent court rulings and balances the rights of citizens with the First Amendment rights of the residential solicitors. The following is a summary of important information regarding the new Green River Ordinance.
